Who we are

Founded in 1920, Kin Canada is the country's largest all-Canadian service club organization. Our members are caring, dedicated and enthusiastic people — just like you!

We've raised more than \$1 Billion since 1920!

Every year our members contribute about \$15 million to improve Canadian communities by building parks, sponsoring sports teams, helping families in need and bringing people closer together. Kin members have also raised nearly \$40 million for cystic fibrosis research since 1964.

How we help

Kin Canada makes a difference locally and nationally via:

- Each club's chosen local projects
- Kin Canada Bursaries
- Kin Canada National Disaster Relief Fund
- Cystic Fibrosis Canada fundraisers
- Kin Organ Donor Awareness Campaign... and much more!

What you get

Kin Canada offers you the opportunity to:

- give something back to your community
- participate in fun projects chosen by you and your club
- network with community and business leaders
- attend leadership and event management training
- win prestigious national awards
- enjoy member savings and benefits
- travel the country and meet new people

Kinsmen Club of Brantford
