a real difference in Canadian communities!**

Who we are

Founded in 1920, Kin Canada is the country's largest all-Canadian service club organization. Our members are caring, dedicated and enthusiastic people — just like you!

There are hundreds of Kinsmen, Kinette and Kin clubs across Canada whose members work to better their communities, enhance the well-being of Canadians and improve the environment.

"I love the feeling of making a difference to someone. Kin is the umbrella that allows me to be a volunteer in my own way, in my own community." - Anne, QC

We've raised more than \$1 Billion since 1920!

Every year our clubs contribute about \$15 million to improve Canadian communities by building parks, sponsoring sports teams, helping families in need and bringing people closer together.

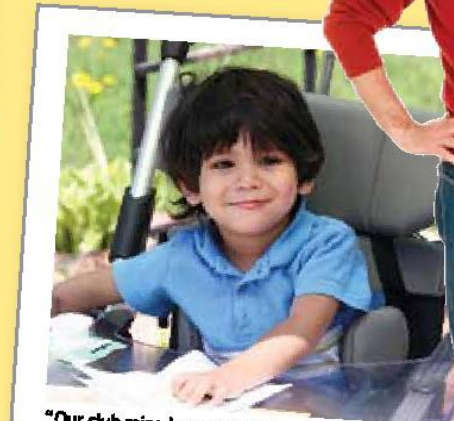

Kin Canada also raises nearly \$1 million annually to support Cystic Fibrosis Canada and has donated almost \$40 million for cystic fibrosis research since 1964.

Money raised in your community stays in your community.

How we help

Kin Canada makes a difference locally, regionally and nationally through:

- Each club's chosen local projects
- Kin Canada Bursaries
- Kin Canada National Disaster Relief Fund
- Cystic Fibrosis Canada fundraisers
- Kin Organ Donor Awareness Campaign
- Multiple Sclerosis fundraisers
- TeleMiracle (Saskatchewan)
- Winnipeg Kinsmen Jackpot Bingo
- STARS (Alberta Air Ambulance)
- Kinsmen Home Lotteries
- Kin Canada Foundation
- Portraits of Honour Tour

"Our club raised money to buy medical equipment for a little boy. The smile on his face and the tearful thank yous from his family made our efforts worthwhile." - Tracy, SK

"I volunteer for the look on the face of one person touched by what we've done. The smile, the awe, the relief or the tears." - Brenda, ON
